

# Nokia C5 Endi

## Features & Specifications

### Device highlights

- Expansive eye-catching 6.5" HD+ display
- Tri-Camera experience with advanced AI image capture and ultra-wide angle views for capturing every detail.
- Long lasting 4000 mAh battery with 2-day battery life<sup>1</sup>
- Powerful octa-core processor, up to 64GB of storage and 4G LTE speed

### Multimedia & data

- Download apps, games, & more from the Google Play™ Store
- Mobile Hotspot to share your phone's data connection with a computer or other compatible wireless device
- Watch YouTube™ videos or upload your own
- Share life's moments with text, picture, and video messaging

### Voice & audio

- HD Voice for crystal clear conversations<sup>2</sup>
- Google Assistant built in. It's your own personal Google, always ready to help. You can ask it questions. And tell it to do things.<sup>3</sup>

### Camera & video

- Advanced triple camera with 13MP main sensor, 5MP sensor with ultra-wide lens for capturing an entire scene and 2MP depth sensor for a beautifully blurred background in portrait images.
- Portrait mode combines multiple standalone experiences such as single frame HDR, Bokeh, Denoise and Beautification for one perfect shareable portrait image.
- AI scene detection automatically focuses on the subject, be it a dog, food, plant or scenery among others, and optimizes the photo settings to deliver the best result.
- Capture mini video with audio and using AI analysis. This saves frames separately with a higher resolution. The result means you can choose the best image post capture.

### Tools & productivity

- Face Unlock lets you conveniently unlock your device by simply looking at the display.
- An incorporated Google Assistant Button gives you access to all types of information faster than ever.
- Adaptive Battery - Go further on a single charge. Adaptive Battery learns how you personally use your device, and prioritizes battery power for apps and services you care about.
- Store pictures, videos, and apps on a microSD Card (up to 512 GB)
- Add your favorite widgets and app shortcuts to your home screens for quick access
- Get there on time with Google Maps™ and its voice navigation assistance

### Cricket services

- Pre-loaded with myCricket, theSCOOP and Cricket Visual Voicemail

### Accessories included

- Power adaptor
- USB Type-C data cable
- SIM tool

<sup>1</sup>The 2-day battery testing was conducted using a real-life usage test by HMD Global. The test included active usage of a device for 5 hours per day with a new battery. Usage included e.g. gaming, video streaming, calling, sending SMS, browsing and using apps (such as social media, news, navigation and music). The test was conducted with normal device settings in a lit indoor environment. The device was left on standby overnight.

<sup>2</sup>To experience Cricket HD Voice, both callers must have a compatible HD Voice capable smartphone and make the call over Cricket's LTE Network or a compatible network. Cricket's LTE coverage is not equivalent to its overall network coverage. HD Voice calls made on a compatible device and on the LTE network may not experience an HD Voice connection at times of network congestion. Other carriers' networks may interoperate with Cricket's LTE network to support an HD Voice call.<sup>3</sup>Google Assistant is available in selected markets and languages. Where not available The Google Assistant is replaced by Google Search. Check availability at <https://support.google.com/assistant>.
